

26th March 2021

Message from Mrs Gale

Dear Parents,

Well it's the end of the penultimate week and with only 4 more days in school before we head off for the Easter break, I know that everyone is looking forward to some down time. The week ahead will see the relaxing of some of the restrictions in place at the moment and the stay at home rule will be lifted. The children in school have talked so much about getting out and about, and I can see from social media that lots of outdoor venues are opening up for visitors, which will be lovely. And as we move through the Easter holidays, the pubs and restaurants will reopen along with non-essential shops, what an exciting time.

During the final week in school, we will be welcoming some new pupils in for visit days to Swallow Class. These children will join us after half term along with Chloe and Josh who have relocated back to Yealand after their time in Hong Kong. The school will certainly be buzzing with children and excitement. Next week, we will continue filming the Easter Reflection, there will be Easter egg hunts and other fun activities. Remember to keep an eye on the Facebook page to check out what we are all up to and share with family and friends, please.

***'Think excitement, talk excitement, act out excitement, and you are bound to become an excited person.'* Norman Vincent Peale**

Join us next Thursday for a special end of term celebration. This will be live via zoom at 2:30, links will be sent out via Remind on Thursday.

Take care everyone and have a wonderful weekend,
Katrina Gale

This week we are saying Happy Birthday to Toby, have a lovely day.
