## Message from Mrs Gale

Dear Parents,

As we come to the end of the second school closure in under a year, like me, I am sure you will feel a sense of relief that the end is in sight. We have been busy preparing for the arrival of all pupils and welcoming some new faces too. With such a short time before we end the term for the Easter break (Thursday 1<sup>st</sup> April), we all have a lot of catching up to do and fun to have. Spring is definitely in the air and we will be making the most of the good weather and beautiful surroundings.

Today is the start of Science Week, the event has been launched in school by Miss Thomas who is the school's Science Lead. Throughout the next week the children will be taking part in online science workshops as well as science investigations in school. We will endeavour to post pictures of the different activities taking place through the school's Facebook page and Remind when appropriate.

### Return to school house keeping

The school register begins at **8:55** however primary children can be dropped off at school from 8:45.

### Robin Class

Mrs Beswetherick will be waiting at the front of school to welcome everyone from Robin Class. Kindly, drop off Robin children at the front school gate, the children can then play on the front playground until the teacher takes the class into school for the start of the day. If your child attends Breakfast Club, Miss Scott will send the children to the correct areas of the school when it is time.

### Swallow Class

I will be on the top playground at the back of school to welcome all children from Swallow Class, again from 8:45.

### Little Owls

We will continue to welcome Little Owls at 9am through their dedicated side entrance. I know that the school will be looking forward to welcoming the new children who have joined Little Owls this term.

Parents are asked to reframe from entering the school grounds at the start and end of the school day, unless you are collecting a child from Robin Class at the end of the school day. Please wait in the front playground, remembering to follow the social distancing rules in place nationally.

Finally, I would like to thank you all for your kindness, support and amazing resilience. This has been a very tricky term and you have all been amazing supporting your child/children through this time. Thank you everyone, everything you have done and are doing is appreciated.

Have a fabulous weekend, enjoy the sunshine, the lighter nights and the arrival of lambs and daffodils. May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

*...and may the God of hope fill you with all joy and peace as you trust in him, so that you may overflow for hope for the power of the Holy Spirit. Romans 15:13*

Best wishes, Katrina Gale
